Jack's Forge

Product catalog

A real forge with extensive experience and a catalogue of completed projects.

For more than 12 years, our team has been producing original, unique, high-quality forged products. In our forge, we make various products – from gift items and souvenirs to entrance units, gates, forged stairs and awnings. We take on the most complex blacksmithing work and bring any project to the desired result.

The basis of our production is handmade, so we are attentive to even the smallest details. As a rule, forging is primarily about individuality.

Forged safe

A **forged safe** is an original gift with a masculine character. Buyers like it for its visual beauty and exclusivity. It is difficult to manufacture. The texture of the metal is achieved by forging. This option is suitable for connoisseurs of exclusive and expensive products. Into the safe, you can put the desired gift, for example, a bottle with your favorite drink, a telephone, and much more. In order to get to the bottle or the gift, you have to try hard and to unscrew a lot of nuts – 120 pieces. Access to the contents of the safe is only possible from the top. It will perfectly fit into the interior of your apartment, house, or restaurant.

- Our production is handmade in compliance with all the traditions of blacksmithing.
- It is suitable as a gift for absolutely any occasion.
- This is a ready-made gift idea and a ready-made quest script.
- Such a gift gives a huge amount of joyful emotions to the recipient of the gift and to those who give it.

Real old horseshoe

Since ancient times, the horseshoe has been considered a symbol of good luck. According to folk belief, it brings health, love, wealth, and success. Rumor has it that a horseshoe attracts good luck even to those who do not believe in omens! Legend has it that a horseshoe found on the street, flew off a horse's hoof (worn), or bought directly from a blacksmith is the best amulet. It will become an excellent symbol of good luck for you and your loved ones. It is suitable as a gift, as well as for home and interior. It is packed in a box with natural hay. The found horseshoe was cleaned of rust and dirt, restored with the preservation of the metal structure and traces of wear, covered with blacksmith's paint with a golden patina.
